## 1. About the University

Sponsored by the esteemed Plastindia Foundation (PIF), Plastindia International University (PIU) signifies the vision of cultivating leaders in the Plastics and Polymer sector. As the first university in India dedicated to Plastics and Sustainability, PIU sets a benchmark for specialized education in technology and management.

In a significant move towards global collaboration, PIU has formed a technical partnership with the University of Massachusetts Lowell (UML), USA. This alliance seeks to create a world-class institution for Plastics and Polymer Technology and processing in India, offering students exceptional exposure to best practices and cutting-edge research on a global scale.

## 2. Seat Allocation for B. Tech. Programme

Branch	Intake	ACPC (50%)	All India (JEE) (50%)
Plastics and Polymer Engineering	60	30	30
<i>Reservations applicable as per ACPC and Govt. of Gujarat norms.</i>			

Admission to the First year of the Bachelor of Technology shall be given as under, namely:

### 2.1 ACPC Seats (50%)

50% of the total sanctioned intake will be filled by the Admission Committee for Professional Courses (ACPC), Government of Gujarat. These seats will be allocated based on the ACPC merit list and in accordance with ACPC guidelines. Candidates must apply separately to ACPC. For more details, please visit [www.jacpcldce.ac.in](http://www.jacpcldce.ac.in).

### 2.2 All India Seats (50%)

50% of the total intake will be filled by Plastindia International University. These seats will be allocated to candidates who have passed the qualifying examination from schools located in India (including Gujarat State) and have appeared for the JEE (Main) 2024 examination. The merit list for these seats will be based on the All India Rank of JEE (Main) 2024, GUJCET, MHT-CET, or other recognized state-level entrance examinations.

A candidate seeking admission on All India seats shall apply on-line, on the University website, within the prescribed time limit. The University shall allocate All India seats to candidates who have passed the qualifying examination from schools located anywhere in India, including Gujarat State, and have appeared in JEE (Main) 2024, GUJCET, MHT-CET, or other recognized state-level entrance examinations.

The merit list for these seats will be determined based on the ranks or marks obtained in JEE (Main) 2024 or other qualifying state-level entrance examinations. To ensure a fair and transparent admission process, candidates are required to submit their qualifying examination scores during the application process. The University will consider the highest score among the eligible qualifying examinations for merit list preparation.

Candidates are advised to verify the specific requirements and deadlines for the submission of scores from various entrance examinations. The University emphasizes the importance of accuracy and completeness in the information provided, as any discrepancies may result in disqualification from the admission process.

There will be an online **application form** for admission to All India seats.

### **3. Eligibility for Admission**

#### **3.1 ACPC Seats (50%)**

As per ACPC Rules.

#### **3.2 All India Seats (50%)**

For admission as All India Seat candidate, a candidate should have valid marks in Paper-1 of JEE (Main) 2024 or GUJCET or MHT - CET or any other state level entrance examination.

AND

A candidate must have passed the qualifying examination with a minimum aggregate of 45% marks (40% for SC/ST) in both theory and practical components of Physics and Mathematics, along with Chemistry or a Vocational subject as per ACPC guidelines, all from a single board.

AND

A candidate must appear for the General Aptitude & English Proficiency Test conducted at the University.

#### **4. Application for Admission under All India Quota**

- i. For the purpose of admission, candidates must apply online through the University website <https://plastindia.edu.in> within the specified time frame. The detailed procedure for the online admission process is available on the University website.
- ii. The University will announce the admission schedule through advertisements in leading national newspapers, on the official website, and other appropriate channels. This announcement will include the application start date, the last date for submission, the programs offered, and other relevant information.
- iii. Candidates must upload the required documents during the online application process for admission on the university website.
- iv. Candidates are required to pay a non-refundable application fee of Rs 350/- (inclusive of applicable taxes). This fee must be paid at the time of submitting the application.

The candidates are advised to carefully read the instructions and ensure all required documents are submitted accurately and within the stipulated deadlines to avoid any discrepancies or delays in the admission process.

#### **5. Admission Procedure for All India Seats**

The admission procedure shall be conducted as follows:

- i. The University shall prepare a merit list of all the eligible candidates who have applied for admission under the All-India Seat. This merit list will be based on the candidate's academic performance and other eligibility criteria mentioned above.
- ii. The candidates must check their merit number on the University website.
- iii. Provisional admission will be offered to candidates shortlisted according to the merit list. These candidates will be invited to the campus for an in-person interaction. Admission offers will be extended to candidates during their campus visit.
- iv. During the campus visit, candidates will undergo a comprehensive document verification process. This includes the verification of original documents and the validation of personal and academic credentials, such as identity, age, and academic qualifications.
- v. Following successful verification, admission will be offered to eligible candidates. Additionally, candidates may be required to produce any other certificates deemed necessary during the admission process.

- vi. Admission offers will be made based on the candidate's merit, their category, and the availability of seats in the respective programs. This ensures a fair and transparent admission process.
- vii. Candidates offered admission are required to pay the prescribed fees immediately during the on-campus visit process to secure their admission.

The candidates are advised to regularly monitor the University website for updates on the admission process, including the release of the merit list and the schedule for provisional admission offers. It is important to adhere to the timelines and instructions provided to secure admission successfully.

## 6. Fee Structure

A candidate who gets admission to the University will be required to pay the fees as prescribed herein.

A candidate has to pay the total fee at the time of offer of admission through the online mode as per the direction. No extension of time shall be granted for paying the fees. Following this, semester-wise fees are charged at the beginning of each semester.

Particulars	Amount (₹)
University Enrolment Charges (Annual)	3,000
Tuition Fees (per semester)	Subject to Approval by FRC
Library Deposit (Refundable)	3,000
Security Deposit (Refundable)	10,000

Non-payment of the fees will be interpreted as a rejection to acceptance of the admission offer for the B.Tech. Programme. Candidates are consequently advised to ensure timely payment to secure their admission.

PIU assists the admitted students for access to accommodation and dining services. Lunch and refreshments are available at the in-house cafeteria on a chargeable basis. Additionally, the university offers convenient round-trip transportation services for students commuting between the campus and their accommodation at a concessional price.
